Peace and Allah's mercy and blessings be on you

"And We have not sent before you but men from (among) the people of the towns, to whom We sent revelations. Have they not then traveled in the land and seen what was the end of those before them? And certainly the abode of the hereafter is best for those who guard (against evil); do you not then understand? Until when the apostles despaired and the people became sure that they were indeed told a lie, Our help came to them and whom We pleased was delivered; and

Our punishment is not averted from the guilty people."

O Lord accept our fast and direct our throw and make our reward to be our victory on the day of our holiday we ask the Merciful to give us success on the path of the Islam and He is the Lord of the great throne praise Allah I ask His forgiveness and I repent to Him the number His words and

May Allah bless our master Muhammad and relatives and all His companions

My beloved brother

So let the drums of victory be beaten in our holiday we know that [UI] Allah is with us we ask
